Field trip groups start about 10 AM and are expected to end around 3 PM. Please arrive around 9AM. This enables us to take care of rentals and lessons at a non crowded time.. It also works best if the chaperone and the contact person are the same, but they do not have to be, as long as all the information is passed between the two. Lift tickets will be given to the head chaperone only not to the individuals in the group. The group will be charged for the tickets given out to the chaperone. We will work with small last minute changes but the groups will be charged for at least 20 lift tickets to get this field trip price. If less than 20 tickets are needed the group will be charged for 20 tickets anyway in order to receive these group prices.

I realize that in order to receive Field Trip pricing we will be charged for a minimum of 20 lift tickets
