Groups work best if you show up at or before 8:30. This enables us to take care of rentals and lesson sign ups before crowds come in. It also works best if the chaperone and the contact person are the same, but they do not have to be, as long as all the information is passed between the two. Lift tickets will be given to the head chaperone only not to the individuals in the group. The group will be charged for the tickets given out to the chaperone. We will work with small last minute changes including the number of rentals and lessons, but the groups will be charged for at least the minimum price to get group prices. It is up to the contact person to determine if group pricing is best for their group.

2019-2020 weekend pricing includes all Saturdays, Sundays, Holidays and the following dates: Dec. 24 – Jan. 5, Jan. 18-20, Feb. 15-17 and March 23-27.

I realize that in order to receive group pricing we will be charged at least the minimum prices shown above.
