

Hoodoo's Winter RV Site Rules

Check In and Check Out is normally 4 pm. However on Holiday or special event weekends **check out is 2 pm**. If you arrive at a time when Hoodoo is closed – check in the next morning to settle any payment due and receive a permit hang tag.

Our sites are 40' in length - sites 1 - 29 are 11' wide and sites 30,31,32 are 15' wide.

Please do not park or put anything in any site next to your RV, trailer, or camper. The site next to you may be reserved and/or it gives the impression that vehicles can park in RV Row. These other vehicles or your own truck can park in the main parking lot during operating hours, but we prefer that you park in the designated area for extra vehicles. You will need an extra hang tag for this vehicle, so please ask for one. There is no extra fee for your detached vehicle or towed trailer/vehicle.

Trailers/5th Wheels, if you are **40' or less** you can stay attached and / or park in front of your rig. You must detach and park in overnight parking if you exceed that length.

If you have friends in separate vehicles staying overnight, the overnight fee is \$10 and they MUST park in the overnight, designated area. Have them come to the office for payment and hang tag. Failure to do so will result in a \$15 fee per car or removal by our snow plowing team.

1. All vehicles must be out of the main parking lot at night and placed in our overnight area. Check with the office during business hours for that information. Any vehicle(s) left in the main parking area will be subject to removal by Hoodoo staff if said vehicle interferes with our plowing operations.

2. No wood fires/bonfires anywhere on premises. Propane stoves only.

3. Dogs must be on a leash at all times. *You are required to clean up your site & after your animals.* You must walk animals away from RV row to do their business. Please do not leave your dogs unattended inside your RV / trailer or outside for extended periods, *especially if they bark.* You will be asked to move out if the office receives complaints, with no refund. Dogs are not allowed on any groomed areas or in the lodges. It would be best to leave them at home.

4. Snowmobiles, ORV's or ATV's, they are NOT allowed on Hoodoo grounds . They **MUST be parked and kept at Ray Benson SnoPark. No exceptions.**

5. If you are towing an additional trailer please ask for a hang tag and pay the additional fees. It is not included in your RV site fee. The trailer is required to be detached & parked in the designated extra vehicle spaces. Do not take up another site on either side of your space with your towed trailer and / or vehicle.

6. Quiet hours are 10 pm to 7 am. Please be respectful of others and limit your vehicle use during these hours.

7. Our showers are open... Showers are quarter-operated. \$1.00 for 5 minutes. Change will be available in the Powder Shop (Retail) & the ticket office during business hours only. The Showers & Bathrooms are accessible to you 24 hours a day, through the doors located under the CARPORT.

8. General site cleanup is required before leaving. Bagged garbage may be disposed in our garbage truck, located at the north end of the lodge.

Following these rules is very important to the future of winter RV'ing here at Hoodoo, as well as ensuring each and every customer has a great experience!

*Hoodoo reserves the right to change these rules at any time.
You will be asked to leave or not be allowed back if you disregard any of these rules.*
